PROMOPRNT

PromoPRNT allows retailers to automatically create printed promotions in addition to receipts. These incentives and bonuses are delivered directly to shoppers' hands, boosting customer retention and notifying customers of new deals and promotions.

PROMOPRNT

ABOUT US

A World Leading POS Provider

Star Micronics, a world leader in point-of-sale (POS), has designed a portfolio of printing, secure cash management, self-service, and customer engagement solutions for any retail or hospitality establishment. Embracing the mPOS wave, Star's SDKs allow developers to utilize Star printers in tandem with Android™, iOS, iPad®, and iPhone® devices to generate receipts, labels, Chit, and tickets. Star Micronics is always leading and always innovating, creating cloud-based printing solutions, including CloudPRNT and Star Cloud Services, with AOA support and MFi connectivity. Star also has a wealth of peripherals, including 2D barcode scanners, scales, tablet display stands, and more. Visit www.starmicronics.com or follow us on Facebook, Twitter, YouTube, or LinkedIn to learn more.
