

# Why Integrate with Star?

A one-time integration allows access to all Star peripherals, a dedicated integration team, consistently innovative solutions, and much more.

[Learn More](#)

## Integration Support

**Dedicated integration support.** Our dedicated Integration Team supports POS software application developers at every step, from initial consultation through development to launch.

## Global Support Site

**Our self-help knowledge base is there when you need it.** Star has an entire site dedicated to its developers with downloadable drivers, manuals, software updates, and more.

## Trust

**Complete product testing and competitive marketplace pricing.** We test our merchandise before we offer it to you, guaranteeing high-quality, reliable products and competitive pricing.

## Flexibility

**Integrate accessories now or later, bundled or unbundled.** Whether you need a single product or a bundled solution, Star offers the flexibility to integrate accessories now or later.

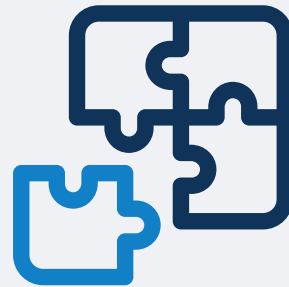

## Availability

**Inventory is always available.** Star has a large, worldwide distribution channel, and each distributor is stocked with Star solutions ready to meet your business needs.

## Compatibility

**Backward and forward compatibility.** Integrate with Star's latest hardware or continue with your current products for easy upgrades and better marketability.

## Partnership

**A partnership committed to your success.** At Star, our Technical Services & Support Team is dedicated to helping you run your business profitably with the support you need.
