

## Tamper-Proof Labeling for Restaurants

### Securely Seal Delivery, Catering, and To-Go Orders

Always leading, and always innovating, Star Micronics is proud to include a tamper-proof labeling solution in its restaurant POS offering, designed to securely seal delivery, catering, and to-go food and beverage orders.

The labels, featuring a best-in-class tamper-evident design, are available in three sizes: 3" round labels to seal takeout bags; 2" x 4" labels to seal larger bags or to close the mouths of bags; and 0.75" x 7" labels to close drink lids. Each label size can be easily and efficiently applied by hand, and each roll delivers 500 labels. The labels come pre-messaged, reading "Sealed for Freshness" (3" round and 2"x4") and "SEALED TO SERVE" (0.75" x 7") but the message can be customized for large opportunities or recurring specific needs.

#### Built for Security

Designed with security as a priority, the labels provide added post-preparation quality control by delivering visual evidence if a label has been removed or repositioned. To signal an order has been tampered with, security seals become slashed. With proven on-packaging performance, the labels are an ideal solution to securely seal food for delivery or pickup orders.

#### Complete the Solution with a Dependable Dispenser

Star's easy-to-use label dispensers feature a small tabletop design that is constructed of steel for years of reliable use. Adaptable to fit any restaurant's needs, the dispensers can

fit multiple labels and can accommodate labels with up to a 7" diameter. Two sizes of dispensers are offered: 3" wide and 4.5" wide. Thanks to its unique cradle design that holds labels securely and separately, the dispenser can handle any core size and enables easy label roll changes. The dispenser can be used for single or multiple rolls.

#### Label Features:

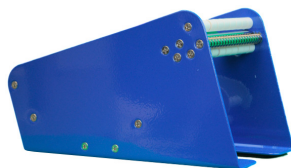

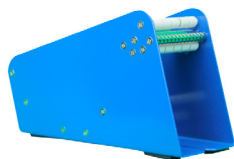

- 3" Round Labels to Seal Takeout Bags
- 2" X 4" Labels to Seal Large Bags or Close the Mouths of Bags
- 0.75" X 7" Labels to Close Drink Lids
- Delivers Visual Evidence if Label Has Been Removed or Repositioned (Security Seals Become Slashed)
- Each Roll Includes 500 Easy-to-Apply Labels

#### Dispenser Features:

- Two Sizes Available: 3" and 4.5" Wide
- Small Tabletop Design
- Sturdy Steel Construction
- Accommodates Labels with up to a 7" Diameter and Any Core Size
- Can be Used for Single or Multiple Rolls
