

TSP1000

Versatile Printer with Receipt/Ticket Stacker

The TSP1000 is a specialty POS solution that offers truly outstanding value, reliability, performance and quality.

The TSP1000 high capacity direct thermal printer offers support for up to a 7" diameter paper roll that is ideal for high volume applications. The integrated ticket/document stacker aids in sorting multiple tickets/documents where batch printing is required. With its small footprint, ease of use and high throughput, the TSP1000 easily meets a variety of ticketing application needs. Its low maintenance and reliability make it the ticket printer of choice world-wide.

Perfect for lottery, airline ticketing, large events, ticketing, industrial kitchens, bars and libraries.

Features:

- High-Speed Output (180mm/s)
- Large Paper Roll Capacity (Up to 7" Diameter)
- Ticket Stacker Stacks Up to 30 Tickets
- "Drop-In and Print" Paper Loading
- On-the-Fly Maintenance (Change Cutter or Print Head in Minutes)
- 45mm to 82.5mm Adjustable Paper Width
